# Important FAQ's

## 1. When will I get paid?

For Chapter 33 recipients, LSUS submits two certifications to the VA each term. The initial certification is submitted to notify the VA of term dates and credit hours to kick start your BAH and book stipend benefits and a final certification is submitted after the add/drop deadline to report tuition and fee amount for certified courses. If your courses have been certified and payment has not occurred, contact the VA through the GI Bill hotline at 888-GIBILL-1.

## 2. I did not receive the correct payment, why?

This could be for several reasons including beginning date of benefits, exhausted benefits, pro-rated month of benefits, etc. To be sure of the reason please contact the VA directly at 1-888-442-4551.

## 3. Can I double major while using VA Educational Benefits?

Dual majors pursued under an academic policy that defines the dual major's requirements can be certified. EX: BA English/Psychology or BS Biological Sciences/Chemistry.

## 4. Can I make changes to my degree program and still use my benefits?

Yes, a student can change their major or minor and still use their benefits.

## 5. Will the VA pay for prerequisite or applicable remedial coursework?

Yes, but the VA will not fund benefits for remedial classes IF they are taken online.

## 6. How does taking all online coursework impact my housing allowance (BAH)?

For Post 9/11: Chapter 33 recipients, the BAH for 100% eligible, full-time rate of pursuit drops down to 50% of the national average.

## 7. What will happen if I withdraw from or fail a certified course?

We do not report punitive grades (F) to the VA. However, keep in mind while we will not report this grade to the VA, punitive grades will still greatly impact your GPA. Withdraws are reported, your hours would be reduced and any debt to the VA would be the student's responsibility.

## 8. Will the VA pay for electives my advisor has recommended?

We only certify electives if there is an open spot on your curriculum sheet that has not been satisfied.

## 9. Can I use my benefits if I am not admitted into a degree program?

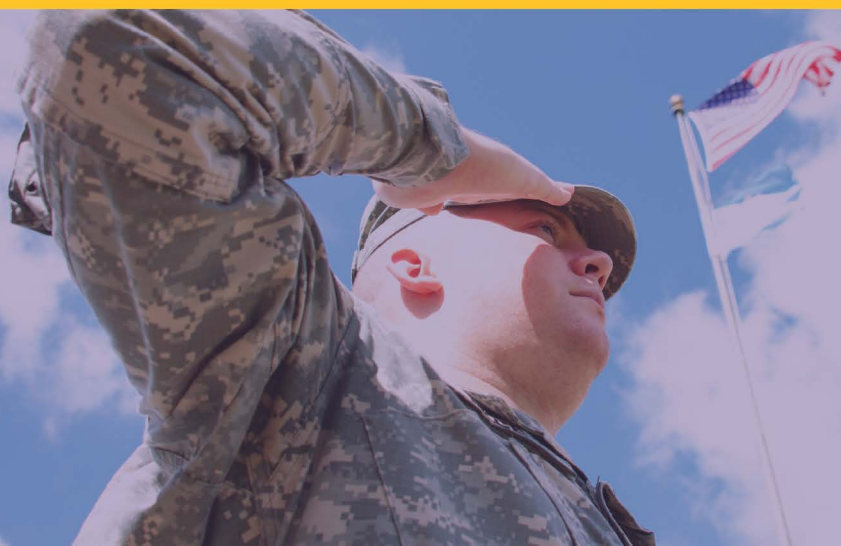

Students must be actively degree seeking to be able to use their benefits, therefore, we would not be able to certify a student who is Non-Degree Seeking.

## 10. How do I see my payment information and remaining eligibility?

It is recommended students utilize eBenefits to view their certification and remaining eligibility information or call 1-888-GIBILL-1 (888-442-4551). Call between 7 a.m. - 6 p.m. Central Time, Monday-Friday.
