You have been awarded an Emergency Financial Aid Grant, provided by the CARES Act recently passed by Congress. Your award is posted on myLSUS under the Financial Aid Awards tab and you should receive a check or electronic disbursement in 5-7 business days. This award is a direct payment to you and will not be applied to any outstanding University balance. No further action is required on your part.

In order to assist all eligible students as defined by the CARES Act guidelines, LSUS used two factors to determine award amounts: your Expected Family Contribution (EFC) from your 2019-20 FAFSA, and your spring enrollment status (please see table below).

EFC (found on your 2019-20 Student Aid Report)	Full-Time	Part-Time	Less than Half-Time
0-5,576 (Pell eligible range)	\$1,000	\$750	\$375
5,577-14,999	\$750	\$500	\$250
15,000+	\$500	\$250	\$125

The Emergency Financial Aid Grants are meant to assist students enrolled in face-to-face programs with the expenses incurred during the transition to online learning. You should use these funds for technology and technology-related needs, food, housing, course materials, healthcare, childcare, and other costs related to the disruption of campus operations from COVID-19.

We understand the transition to online learning due to COVID-19 has greatly affected our students. We admire your perseverance during this uncertain time and hope this Emergency Financial Aid Grant provided through the CARES Act will assist with your incurred expenses.

We understand this last semester has been challenging dealing with COVID-19 and the disruption to campus.

Cares Act HEERF Emergency Relief Grants for Students

The **Cares Act HEERF Award** is a cash award from the federal government that will be paid directly to eligible students from the CARES Act funding provided to LSUS by the federal government. These funds were provided to assist with costs associated with campus disruptions in Spring 2020 due to the pandemic.

In compliance with the guidelines and eligibility requirements set forth by the U.S. Department of Education, the following criteria outlines which students are eligible for funding, as well as those who are not eligible.

Students who **are** eligible for CARES Act awards are:

- Enrolled in a traditional, on-campus degree program as of March 13, 2020; and,
- Making satisfactory academic progress toward a degree at LSUS; and,
- Have completed a FAFSA and eligible to receive federal Title IV aid.

Students who **are not** eligible and will not receive an award:

- Any student enrolled in a 100% online program as of March 13, 2020.
- International students who are not eligible to submit a FAFSA or receive Title IV aid.
- Non-degree seeking students.
- Visiting students.

Any student meeting the eligibility requirements listed above will automatically receive a CARES Act award. LSUS did not require an application for these awards and checks will be mailed to the student's mailing address listed on the myLSUS portal if no banking info was on file.

How Funds are Distributed

Through the CARES Act, LSUS received \$912,943 million in student-aid funding for distribution to address student needs associated with the disruption to campus operations from the COVID-19 pandemic. Based on guidance from the U.S. Department of Education, to be eligible for consideration, students are required to have a valid Free Application for Federal Student Aid (FAFSA) on file, must be meeting Satisfactory Academic Progress, and not enrolled in a 100% online program. All eligible undergraduate, graduate and practical nursing students enrolled in the Spring 2020 semester as of March, 13, 2020 will receive aid according to a sliding scale based on enrollment status and demonstrated financial need per their current FAFSA on file.

How Students Receive Funds

Students receiving funding will either have it direct deposited to their bank account on file with the Accounting Services Office or receive a check mailed to the mailing address listed on myLSUS if they do not have a bank account on file. All students can enroll in direct deposit by logging into their myLSUS account and selecting “My Financials” then “Sign-up/Change Options” then “Electronic Disbursements.” For questions or more information, please contact the Accounting Services Office at accounting_services@LSUS.edu.
